

BSIE/MBA-PM Accelerated Program Application Form

Use this form to apply for the accelerated program toward a Bachelor of Science in Industrial Engineering and a Master of Business Administration - Project Management.

Program Overview: The BSIE/MBA-PM Accelerated Program allows highly-qualified undergraduate students in industrial engineering to begin pursuing their MBA degree while still pursuing their BSIE degree. Students in this program apply 9 hours of coursework to both degree programs simultaneously. *Program Admission Requirements:* Students must be currently enrolled in the MSU Industrial Engineering degree program. Students must be of junior or senior standing. Students must have a cumulative GPA of 3.50 or higher. *Graduate School Admission Requirements:* Students accepted into the accelerated program will need to complete a full application to the MBA-PM program during their senior year.
